SMILING IS INFECTIOUS

YOU CAN CATCH IT LIKE THE FLU

When someone smiled at me today

I started smiling too

And someone saw my grin

I passed around the corner

When he smiled, I realized

I'd passed it onto him

I thought about that smile

THEN REALIZED ITS WORTH

A SINGLE SMILE JUST LIKE MINE

Can travel round the Earth!

So if you feel a smile begin

Don't leave it undetected

Let's start an epidemic quick

And get the world infected!
